*"In the age of rapid innovation, the true power lies not just in adapting to technology—but in using it wisely, creatively, and with purpose."*

04.09.2025

Dear Parents,

Greetings from PPS!

It gives us immense joy to announce that Peoples Public School will be celebrating its Annual Day on 9th October 2025 with the theme:

★ "Alice in the Global World" ★

Annual Day is not just a cultural programme—it is a celebration of learning, teamwork, and creativity, where each and every child finds a platform to shine. This year, every student will represent the school through multiple forms—whether on stage in dance, drama, music, or behind the scenes in anchoring, decoration, prop-making, volunteering, or presentations.

Through this participation, children learn confidence, responsibility, and the joy of working together for a larger purpose. It is our belief that every child is a star, and Annual Day is the stage where their light shines the brightest.

To ensure a high-quality event, including costumes, make-up, props, school decorations, and refreshments, we request a contribution of ₹1300/- per child, to be submitted by 8th September 2025.

As participation is compulsory for all students, this contribution is essential to provide every child with the best experience.

We look forward to your wholehearted cooperation in making this Annual Day a memorable and proud moment for our children and our school community.

Warm regards,

  
Ms. Ashu Wadhwa
