PEOPLE'S PUBLIC SCHOOL
Summer Holiday Homework

CAMBRIDGE
International Education
Cambridge International School

Dear Parents,
Greetings from PPS!

The school encourages to enhance creativity of students therefore we have designed holiday homework and projects that blend learning with leisure. These activities aim to reinforce classroom learning, stimulate creativity, and encourage independent and collaborative thinking.
The assigned tasks are an important part of the academic cycle and will help in consolidating the concepts covered during the term. These projects will also be evaluated as a part on internal assessment and other academic activities.
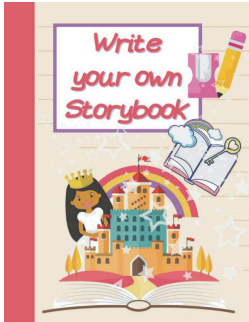

Please note that the grades awarded for these assignments will be included in your child's overall academic performance. We kindly request your support in ensuring that the work is completed and submitted by **24 June, 2025**. Let's work together to make this summer break a productive and enjoyable experience for our students.

Wishing you and your family a happy, safe, and refreshing summer vacation!

| 3 | ICT | **Homework 1: Create an Interactive Story Using Scratch**
 Make a short and fun story about an adventure, a holiday celebration, or any fun theme that involves choices!
Tips for Grade 3 Students:
● Keep the story short and fun.
● Use bright backgrounds and friendly characters.
● Ask an adult for help with saving and sharing.
● You can act out your story first before coding it.
How to Build It in Scratch Jr:
1. Choose your characters (sprites).
2. Pick or draw your background (scene).
3. Add blocks to make your characters move and talk:
   ○ 💬 Say something
   ○ 🚶 Walk, jump, or hide
4. Use the yellow **"Start on Tap"** block to create choices.
5. Add your voice or record lines.
6. Create a fun ending (like a party or surprise!).
Your story should include at least one choice where the viewer can click something to change the story.
Examples:
● "Click the 🌳 if you want to go into the forest."
● "Click the 🎁 to open the gift."
Each choice should lead to a different animation or scene | Interactive Idea Slide | Roll no. 1-13 |
