Circular for Parents – Learning Journey Showcase 2025 📢

Dear Parents,

We are delighted to inform you that on 29th November 2025, we will be hosting “**Learning Journey Showcase 2025**” – a special interaction where you will get to witness your child's learning, growth, and skills through our new pedagogies and hands-on activities.

During this meet-up, our young learners will confidently present what they have explored and practiced in the classroom.

Your time slots along with your child's name will be shared soon in the respective class groups.

We are excited to welcome you and celebrate the wonderful progress of our Early Learners.
